PROSPECTIVE MEMBER CHECKLIST

As a member of Wilmington Rotary, BEFORE submitting your Proposal form for a new club member, please review, complete and check off the following:

- I believe the candidate to be of high moral character, ethical and a good fit for Rotary membership. Also, expect he/she will meet/exceed our club's minimum attendance requirement.
- Brought the candidate as a guest to a minimum of two (2) club meetings. Introduced the candidate to other members. (When introducing the individual, refer to him/her as "your guest" - not "prospective club member" - since not all candidates are approved for membership).
- Have given to the candidate our Wilmington Rotary (blue) packet, including: *Rotary Basics, This Is Rotary, What's Rotary?* and *Rotary Club of Wilmington* brochure, as well as, the club's Initiation Fee/Dues schedule and Attendance Requirements info.
- Provided the candidate with information about Rotary's benefits and responsibilities and club's projects/programs.
- Encouraged the candidate to tour the Rotary International website: www.rotary.org & our club's website: www.WilmingtonRotaryClub.org
- Is the candidate a former Rotarian? If so, have him/her request a Letter of Recommendation from former club(s) where they were a member in the last 3 years.
- Identify 3 Endorsers of the candidate, then YOU, the Sponsor, complete and sign the "Membership Proposal Form". If candidate is not well known by Sponsor, or Endorsers, then examples of community service activities and letters of recommendation from respected community leaders would be helpful. Submit Proposal form and any attachments to Club Secretary (Elliott O'Neal).
